## Roseland Volunteer Car Scheme

We provide a door-to-door service for individuals needing transport to attend healthcare appointments, both on the Roseland and further afield.

A set fee of 50p per mile is charged (from bookers door and back again) + £2.00 admin fee. So a 20 mile trip would be £10 +£2 = £12

## Age UK - TAP (Transport Access People)

TAP arrange door-to-door transport for people who have difficulty accessing other forms of public transport. We specialise in non-emergency healthcare appointments, trips to the library, memory cafes, meeting friends for lunch and shopping excursions.

TAP perform an invaluable role in the community, providing individuals, organisations & groups the opportunity to find out what transport is available, identify the cost and to book & co-ordinate the service with ease.

Transport is an essential requirement for most people. For those who are vulnerable and often living in a rural community, it becomes a major factor in their ability to live independently and access the service.

We can advise on what transport is available; sharing journeys & the cost; identify whole journey costs, book and coordinate the service.

All our volunteer drivers go through Driver Training that includes driving a vehicle with passengers, legal requirements, health and safety awareness, safeguarding, basic first aid and their cars are checked regularly and that they uphold all health and safety standards, reference checks and DBS (police checks).

One number for all bookings & queries | TAP provides safe, coordinated, cost effective transport for all the community

## Restormel Car Service

We are a community transport scheme run entirely by volunteers (as part of the Royal Voluntary Service). We provide car transport for senior residents who live in the St. Austell-Newquay region of mid-Cornwall giving you the freedom to get out and about. We help you to attend health appointments, go shopping or visit a friend, and of course we will take you home again afterwards. There is a small booking fee and charge for journeys.

Our office is open to take bookings from Monday-Friday, 10.00 am-12.30 & 2.00 pm - 4.00 pm. Drives can take place outside of these hours.

Cost: Booking fee: £1.00 journey cost: 55p per mile (of this 10p per mile goes to Royal Voluntary Service)

## **Volunteer Cornwall - Community Car Scheme**

Volunteer Cornwall's network of drivers are available for essential journeys which cannot be made by public transport.

We do ask that the Volunteer Drivers' mileage expenses are paid as this is a small contribution to the costs of operating the scheme.

Our network of drivers are thoroughly vetted through references and DBS checks and their driving assessed using a nationally recognised accreditation.

Our network of drivers can help individuals in need of transport help, or organisations with more than one passenger.

## **Volunteer Cornwall Wheelchair Accessible Transport**

Accessing vital appointments and services in Cornwall can be incredibly difficult for anyone, for wheelchair users difficult can all too easily become impossible. Volunteer Cornwall owns and operates a wheelchair accessible MPV, driven by well trained volunteers committed to providing safe and dignified transport to those of us who have to travel in a wheelchair. The vehicle is based in Truro and because we know that being able to budget is a real concern for people living with disabilities, we have set up a predictable pricing structure which includes all possible variables into a cast iron flat fee. Obviously the further away from Truro you or your destination is the more costly the vehicle is but all we charge is the genuine costs of maintaining the vehicle and operating the service. Just call the team at our office on 01872 265 300 to discuss your needs.

How much does it cost? Total Mileage (including journey from base in Truro and back again)

0-50 Miles £47.50

50-100 Miles £55

100-150 Miles £62.50

150-200 Miles £70

Our accessible vehicle can accommodate most types of powered and manual chairs
